

## Community Workshops March 12<sup>th</sup>

**Alameda has pledged** to reduce community-wide greenhouse gas emissions by 25 percent below 2005 levels by 2020

**Zero waste initiatives** offer the most effective greenhouse gas reduction potential

**Join us** in developing the City of Alameda Zero Waste Implementation Plan

**Community Participation** is critical for developing a plan that works for all Alameda residents and businesses

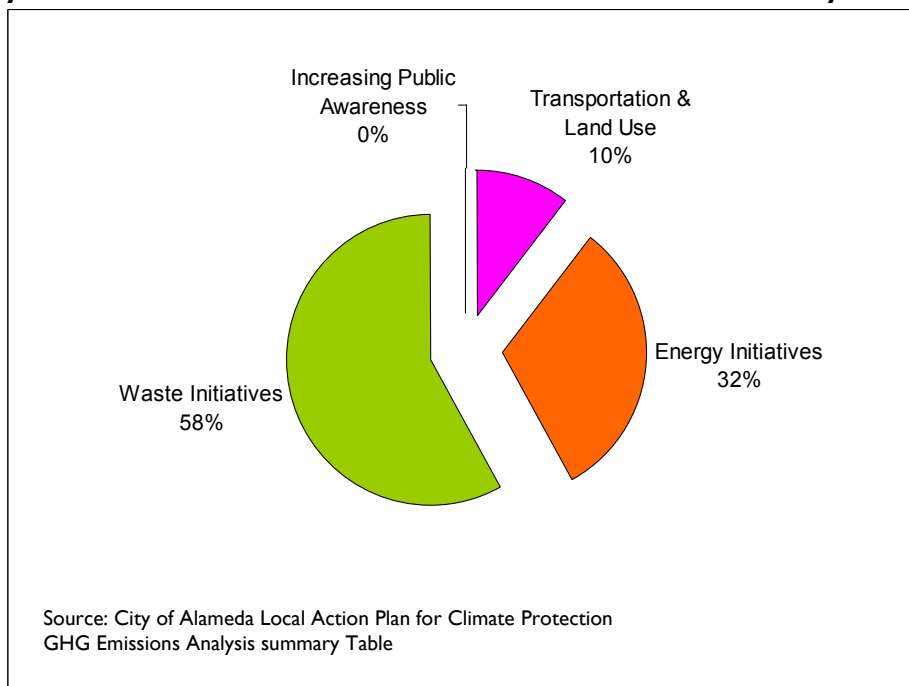

The **City of Alameda** has partnered with the **Community Action for a Sustainable Alameda** to sponsor a series of community workshops to identify the policies and programs that we will need to reach zero waste (or darn close).

On **March 12<sup>th</sup>, 2009** we will be holding two workshops, one in the afternoon, focused on **schools** and one in the evening addressing **community-wide** issues:

Zero waste schools meeting – **3:30 to 5 p.m.**  
**Edison Elementary School** 2700 Buena Vista Ave.

Zero waste community meeting – **7 to 9 p.m.**  
**Veterans Building** 2203 Central Ave.

### City of Alameda Greenhouse Gas Reduction Potential by Initiative
